

**PEMAX GROUP**  
**GRANITE**

India is renowned for their natural stone industry and is especially praised for their **high quality** granite quarries.

Pemax Group has over 50 different colors of granite and our facilities can produce **more than** 100,000 square meters of stone per year!

Our source black granite quarry in Nagar is **internationally** recognized as one of the best in the world. The granite's **hardness, close grain** and **dark base** makes the material the first choice for most international markets.
